

Municipal Parking Permit Portal

Permit Holder Instructions

Municipal Parking Lots:

- The Town of Halton Hills provides limited, overnight parking in designated municipal lots from 7 p.m. – 7 a.m.
- Parking permits are required, and monthly permit fees will apply.
- To apply for a Monthly Municipal Lot Permit, please create a parking portal account and follow the steps outlined in this document to submit a purchase request.

Online Permit System:

Halton Hills is excited to offer residents the ease and convenience of managing parking lot permits online.

- Permits can be purchased in 1-month or 3-month durations for the current calendar year.
- All Parking Permit purchases are subject to an approval process by the Town. You do not have permission to park in the requested parking lot until your permit request is approved and paid.
- You will receive an e-mail confirmation once the review process is complete.

Auto-Renewals:

- The new online system offers an auto-renewal feature which automatically renews an approved permit at the end of each period (either monthly or every 3 months).
- You will be notified via e-mail before your credit card is charged.
- This option is highly recommended to ensure your permit remains valid. You always have the option to opt-out of auto-renewal at any time.
- It is the permit holder's responsibility to ensure permits for subsequent months are purchased and paid for. Failure to do so, may result in your permit no longer being valid and you will no longer have authorization to park in the designated lot. The Town makes no guarantee that your existing permit will be available for re-purchase if you do not purchase or renew before the 1st of the month.

Before you begin:

You will require the following:

- Electronic copies of:
 - proof of residency (driver's licence, utility bill, etc....)
 - proof of vehicle ownership
- Access to a personal e-mail account
- Valid Credit Card information
